Knives Out 2

Xmas pajamas ▢
Root beer floats ▢

WiFi probs...▢

▢ SPOILERS SPOILERS SPOILERS ▢

Piano theme - Nathan Johnson (Rian's brother) gets better with each film.

Covid!

Ironical that I'm making these notes on my phone.

Topical, ain't it?

Games. Fun! Is this an escape room? Are they puzzle club friends?

Behold, the Glass Onion! (My inner circle...)

Very Agatha Christie (death island).

Natasha Leone cameo (spelling?) [I'm embarrassed to say that she is probably the least famous person on that zoom call]

Character analysis based on mask design/color

Thank goodness it's not a three-hour tour ▢

If only we'd had that spray 2 years ago!

T: "I wonder how much they paid to use this song"

He's not murdered yet? Oh, they think it was a joke?

I'm waiting for the Kid Blue cameo... Was that him? [it was]

"Oh my god, it's full of stahs."

This set design is ▢▢

Nice reveal there with the hat hiding Andy

"Alpha" and the Omega symbol on everything. Omega kinda looks like a Glass Onion.

Oranges behind Miles = he gonna die [Godfather reference]

Lotta middle fingers

Thank you, Benoit, for asking Miles to explain everything to us.

Called it. ☐

What's up with Peg? Why was she invited?

Poison! Pineapple? (Someone bumped into his drink earlier. Not gonna say who.)

First glass broken (coffee table)

One of the knives is... out

Second glass broken (window)

"Banksy be damned"

Now Benoit doing the explaining

Benoit obsessed with things at the center: onions, donuts, etc.

Filmmaking nerdery: cutting across the 180 degree line justified by dolly shot earlier.

"Is Andy really dead?" ☐☐

Masks not required at this restaurant?

Miles in Steve Jobs uniform

Not surprised that the "arm candy" character has a back story; the kind of thing RJ would do

I keep forgetting to make comments. Must be getting sucked in.

Ha ha! The ol' bullet in the notebook trick.

Thank goodness for Jeremy Renner!

"What is reality?!?"

"No, it's just dumb!"

Third glass broken

Fourth

Fifth

Alright, I'm going to stop counting.

Chekhov's Glass Onion

T: "Murder on the Orient Express reversed"

JGL as "Hourly Dong" (composed by Phil Glass, of course)
