Away

[Robin Sloan](#)

I do think the “path not taken”, of using this technology, in all its flexibility, as a lever to prise ourselves OUT of digital systems, AWAY from the internet, is a tragic one to miss.

Connect this with Alan Jacobs’ post about using an AI transcription program (?) to turn his audio recordings into text. That actually keeps him away from the screen for longer.

Let AI be the self-driving cars that keep humans off the road.[#robin-sloan](#) [#artificial-intelligence](#)
