The basic shape of the world

"If God is about laying down power to give life to others, then the ancient mythologies have it backward. If love is the fundamental direction of the universe, then domination must lose in the end. If love is the basic shape of the world, then **love is the most natural reality there is**. Love goes and grows with the grain of the cosmos. That's why love has to win."

~Doug Jones, *A Rhetoric of Love* [#Jones](#) [#love](#) [#eschatology](#)
